

AUG 07 1991

SUBJECT: NPL Removal Assessment

MEMO TO: Mark Messerschmidt
~~Louise Raimondo~~, Emergency Support Section

FROM: Steve Egan

I have reviewed the data available on the NL Industries in Granite City, I
(Name of Site)

and have discussed it with Brad Bradley
(Name of RPM)

Based on a site visit made by Steve Egan & Brad Bradley
(Name of Visitor(s))

on 7/29/91. I have determined that:
(Date)

(a) there is no imminent and substantial threat to the public health and welfare or to the environment and that no removal action is appropriate at this time.

~~(b) The following conditions exist on the site which warrant a immediate removal action:~~

1. ~~_____~~
2. ~~_____~~

I recommend that the following actions be taken:

1. No ^{Removal} Action is necessary at this time
2. ~~_____~~
